

NURSERY RHYMES FLUENCY PRACTICE

Set
Two

Hey Diddle Diddle

Hey diddle diddle,
The cat and the fiddle,
The cow jumped over the moon.
The little dog laughed to see such fun
And the dish ran away with the spoon!

This Little Piggy

This little piggy went to market,
This little piggy stayed at home,

all the way home!

WHAT ARE TEACHERS SAYING?

My students loved this resource. Students who are struggling became **engaged**. It is something that all my students benefited from.

Star Light, Star Bright

Star light, star bright,
The first star I see tonight;
I wish I may, I wish I might,
Have the wish I wish tonight.

Students loved this **hands-on** activity and they were able to read the words and sing along to the rhymes. I used them for review in small group as well.
